6.1. Affiliated swimmers from all national clubs; district, regional and national teams; foreign clubs and teams can participate.

6.2. ENTRY QUOTAS PER RACE:

- 50 and 100 m Races: 64 best times of registration → 8 series (each gender)
- 200 Races: 48 best times of registration → 6 series (each gender)
- 400 Races: 16 best times of registration → 2 series (each gender)
- 800 and 1500 Races: 8 best times of registration → 1 series/ direct finals (each gender).

When the Entrylist is published and, according to the registrations in 800/1500, the clubs will decide (and inform the organisation until 8/11 at 3pm) which race they take their athlete from (if he was accepted in one of the distance races), between the 7 or 8 where he is registered.

(Each team should include, on the email with the registrations, a list of the swimmers who are registered in 7 or 8 races under the foregoing provisions).

6.3. If, even so, for any race, the entry quota is not filled in, the vacancies could be filled by swimmers registered (in other races) of the competition (they just need to be in the *Entrylist*), according to the registration time, without prejudice to the provisions of section 6.5 of this regulation. In this case, the swimmers that fill in the vacancies will not have the obligation to accomplish, for the mentioned races, the access TACs of item 6.3.
